EXTERIOR

Breathing with Light

Facade that Breathes

The renovated exterior of Leonidou 8 brings the sun and light of Athens inside in the best way. Large windows and a spacious facade design enhance natural ventilation.

Night Elegance

Night lighting gives the building an elegant silhouette, with modern lines creating a simple but impressive look in harmony with the classic city texture.

Energy Efficiency

New energy-efficient facades with complete heat and sound insulation, rebuilt from scratch according to current standards.

New Infrastructure

All technical infrastructure was rebuilt from scratch including a new elevator system prioritising longevity, durability, and elegance.

Open Plan, Modern Living

The combination of open kitchen and living area in each apartment brings together spaciousness and sociability. The layout allows natural light to reach every corner of the space, offering a contemporary interpretation of modern city life.

Designed with minimalist details and simple surfaces, the interiors offer both aesthetic and functional integrity. Plans suitable for furniture placement, fluid transitions and smart storage solutions ensure efficient use of every square meter.

INTERIOR

Design in Harmony with the Flow of Life

The interior architecture of Leonidou 8 is created with a design concept that adapts to the pace of the day. The homes are designed not only for living, but also for comfort and enjoyment offering a peaceful interior balance that supports the dynamism of city life.

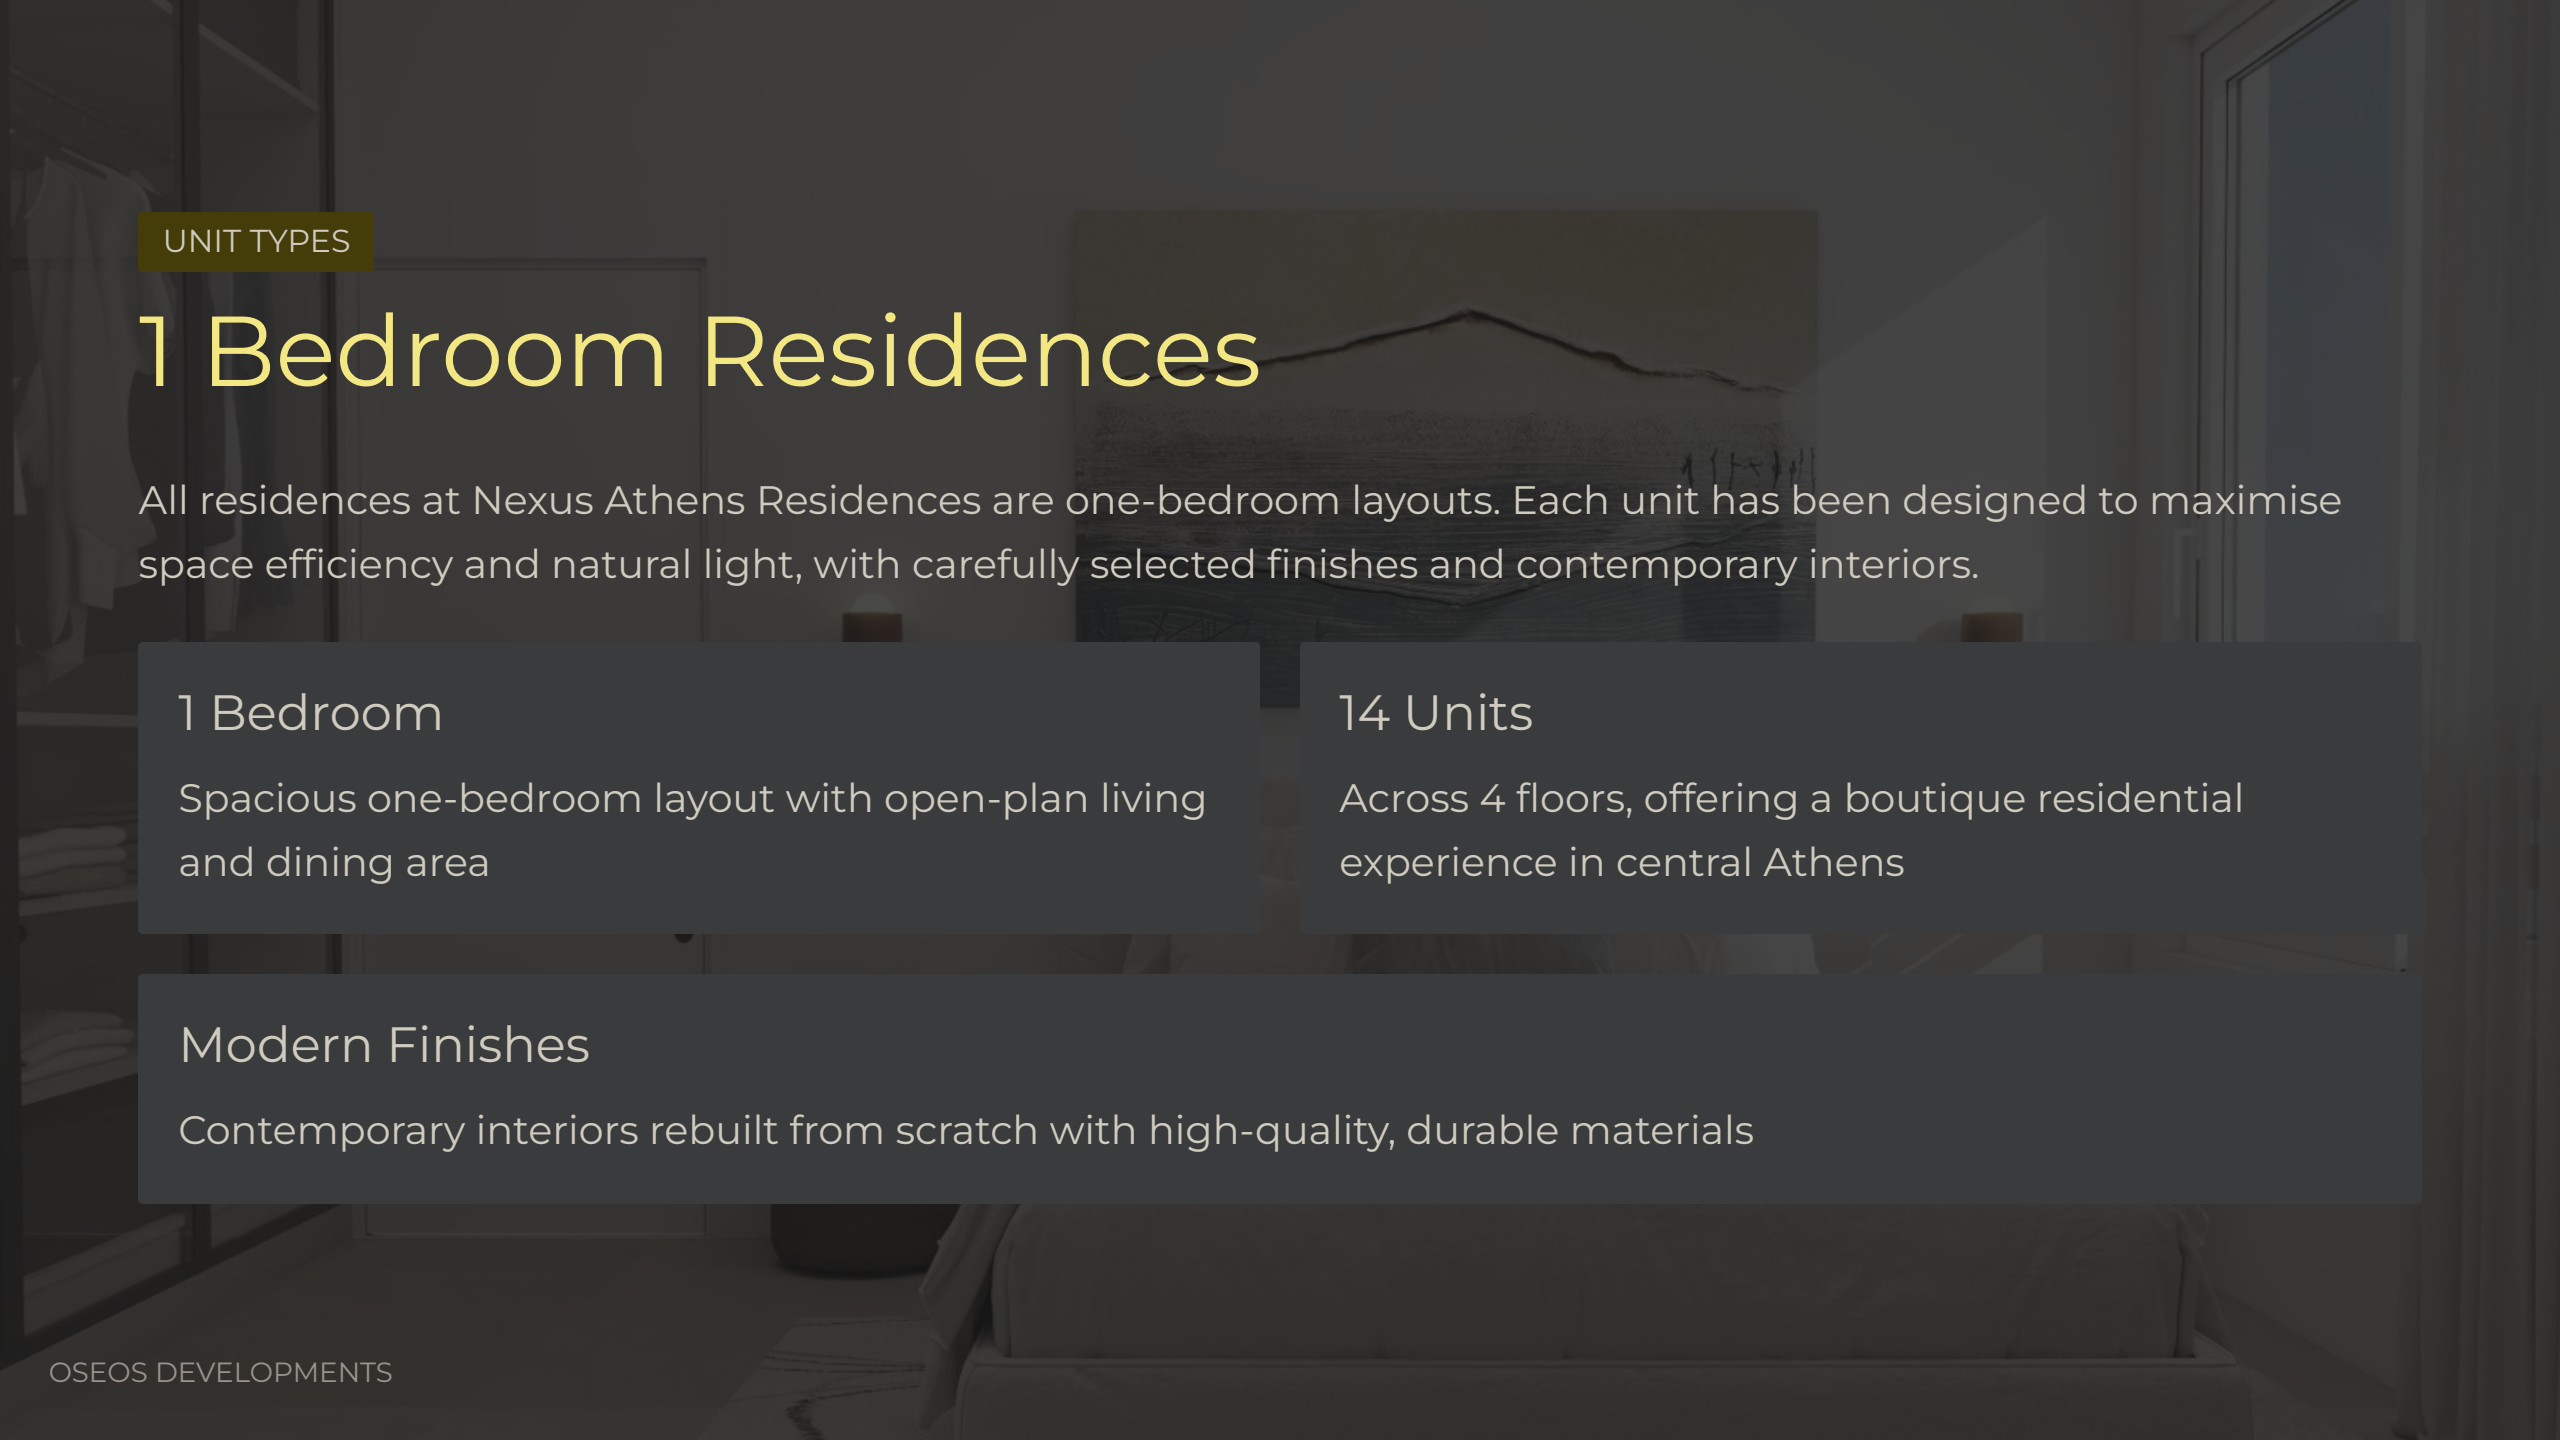

BALCONY

Private Balconies for Outdoor Living

The balcony spaces at Nexus Athens Residences offer private outdoor areas where residents can relax and entertain in comfort. Furnished with seating and dining areas, they create a natural extension of the home with views over Athens.
